—From april 29th to may 5th. The travel dates are 29 of april and may 5th.

Contract:

2024-1-PT02-KA151-YOU-000219703

Main Goal:

Promote the Digitalization of Learning Targeted for Youth Living in Isolated Areas of Europe.

Synthesis:

COVID-19 has underlined the role of digitalized learning as a powerful tool to achieve more just and equal access to all young people, regardless of social, economic and geographical barriers. According to the Erasmus+ Guide, by implementing activities that intend to promote the digitalization of learning targeted for youth living in isolated areas of Europe, we are following the strategic priorities of the Digital Education Action Plan (2021-2027), which aims to "engage learners, educators, youth workers, young people and organisations in the path to digital transformation". By implementing these project, that will be held in Terceira islands, Azores, Portugal we aim to build capacity and critical understanding on how to exploit the opportunities offered by digital technologies and allow for young people living in remote areas of Europe to contribute to these goals, as they will be able to create and suggest innovative tools and develop skills and competences that help close the gap in their communities, towards digital inclusion.
